

**NOTICE OF EMERGENCY CHANGES
TO THE 2017 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2017 Utah Fishing Guidebook. The following has been amended:

Pelican Lake (Uintah County)

The daily bag limit has been raised to:

12 Largemouth Bass
No limit on Bluegill

This change is effective January 10, 2017 and will remain in effect until October 15, 2017.

Pelican Lake will be treated with rotenone in October 2017 to remove invasive Common Carp. The treatment is scheduled for the first or second week of October, 2017. This bag limit change is meant to increase harvest on these fish which will be lethally removed during the treatment anyway.

All other rules established in the 2017 Utah Fishing Guidebook remain in effect.
