

Ice Fishing Class

Learn to catch Utah's fish through the ice!

Instructor: longtime, avid ice angler, Dan Potts

Five (5) two-hour classes for only \$50 (first class is FREE!) designed to help ALL anglers to acquire NEW skills to increase success, even for more experienced ice fishermen. We will cover: basic clothing and equipment to stay comfortable; safety on the ice; a better understanding of fish biology and behavior of Utah's various sport fish; fishing tackle and techniques; new useful technologies and equipment; sources of information. Plus, we'll make some of our own equipment and organize a class fishing trip.

All five classes are on Monday evenings, 6:30 pm:

January 23rd through February 13th (no class Presidents' Day the 20th)

Registration, January 2nd <http://aal.slcschools.org/commed>

or before or after the first class onsite at:

West High School (241 N. 300 W., SLC), Room 200 (south end)

For additional information call Dan at 801-596-1536
